ALI ASGHAR

✉ AliAsgharForWork@gmail.com | ☎ +92-303-2360487 | ⚲ Rawalpindi, Pakistan

Experienced Full Stack Web Developer with a robust background in computer software industry. Proficient in all phases of the Software Development Life Cycle, with expertise in coding, designing, developing, and implementing a variety of applications. Adept at creating customized solutions tailored to client-specific needs.

EXPERIENCE

Full Stack Developer   Dec 2021 – Feb 2024
Ah Game Studio   *Rawalpindi*

Maintained and tested several mid-size monolith web applications and added features upon changing requirements. Responsible for developing full stack applications using Laravel and Django, debugging systems, managing large databases, implementing APIs, and ensuring the seamless integration of new features into existing systems.

Full Stack Developer   Nov 2020 – Jan 2021
DexterCode LLC   *Islamabad*

I worked there as a full stack developer. Working with Laravel, Codeigniter and VueJS frameworks, I developed valuable commercial applications that served thousands of people, ranging from music streaming and distribution web applications to e-commerce centric ones.

Full Stack Developer   Aug 2020 – Nov 2020
Creative Technology Ltd   *Islamabad*

Hired as a full stack web developer, I maintained and tested several mid size monolith web applications and added features upon changing requirements.

Full Stack Developer   Apr 2020 – Aug 2020
Shades, Bahria Town   *Rawalpindi*

Employed as a full stack web developer, my responsibilities were developing, testing and deploying small businesses oriented web applications from local to international clients.
